MIKE MALEPSY

Windermere Trails End Real Estate

An Honorary Chamber Lifetime Gold Membership

Whereas, Mike Malepsy, over the past thirty five years, has served unselfishly in civic, business, education, youth programs, and economic development for Shady Cove and the Upper Rogue Region.

In 1991, during the decline of the region's timber-based economy, Mike Malepsy, established and served as Founding Chair of the Upper Rogue Regional Tourism Alliance (URRTA). He was instrumental in partnering with Federal, State and Regional Agencies.

At the 1994 Governor's Conference on Tourism, Mike Malepsy received recognition from Governor Barbara Roberts for the development and implementation of a successful rural tourism marketing plan and partnership for the Upper Rogue Regional Tourism Alliance.

As Founding President of the Shady Cove-Upper Rogue Chamber, it is my duty and pleasure to carry on the standards and goals set forth by the former Upper Rogue Regional Tourism Alliance (URRTA) and to recognize Mike Malepsy as an Honorary Lifetime Gold Member of the newly established Chamber.

I express deep appreciation to Mike Malepsy on behalf of the Shady Cove-Upper Rogue Chamber, Board of Directors, and all who have benefited from his dedicated service to our Community, the Upper Rogue Region, and the State of Oregon.
